

SMILE FOR THE FRIENDS ON SMILE.AMAZON.COM

It's easy and here's how:

Smile.Amazon.com will make a donation to:
Friends of Gardena Willows Wetland Preserve

The next time you are about to make a purchase from Amazon.com simply go to its sister web portal: Smile.Amazon.com instead. It has the same products and the same low prices as Amazon.com but on this site most products are eligible for a donation from Amazon to a charity of your choice (think Friends of Gardena Willows Wetland Preserve, a 501(c) (3) nonprofit corporation).

On your first visit to SmileAmazon.com you will be asked if you want to select a charitable organization. And that's all you do. The site will remember your selection on all future visits, until/unless you change it, which you can do at any time.

If you would like to choose the Friends, our full name is: Friends of Gardena Willows Wetland Preserve, Inc. (But it's a friendly site, and if you come close, it will offer you the full title.)

If you are already an Amazon customer, all your account information will be transferred over to Smile.Amazon.com, including current shopping cart, Wish List, etc. No problem.

How much does Amazon donate? Smile.Amazon.com will donate 0.5 percent of the purchase price of each eligible product, minus any rebates you claim and excluding shipping and handling, taxes and gift-wrapping.

On your first visit to Smile.Amazon.com you will also be given an opportunity to very easily add Smile.Amazon.com to your bookmarks, to make your next visit even easier.

THAT'S ALL THERE IS TO IT! Amazon does all the paperwork and sends a check to charities like ours at the end of the month. 0.5 percent may seem like a small amount, but if you share this with family and friends they too can help the Friends of Gardena Willows Wetland Preserve in this fundraising opportunity.
